Dated, the 22nd April, 2020

To

All Administrators of State Marketing Boards

Dear Sir/Madam,

As you may be aware, this Department has launched a mobile App namely "**KISAN RATH**" on 17.04.2020 to facilitate logistics (transport) services to farmers and traders for transporting agriculture/horticulture produce from farm gate to/warehouse & mandi and from mandi/warehouses. It is further stated that there is a provision in the App for registration of local transporters, apart from that by Aggregators and Custom Hiring Centres (CHCs).

2. Generally APMC witnesses local transporters providing services to traders / buyers in APMCs for inter-mandi & inter-State transportation of agricultural produce on daily basis

3. It is therefore requested to please popularize this Kisan Rath App amongst reliable, genuine, reputed local transporters associated with your APMC / RMCs / Mandis and get the application of such willing transporters in the enclosed Application Format for registration and forwarded to the undersigned after satisfying yourself so that the same can be uploaded in Kisan Rath App for providing services in future. The information may be provided, after satisfying at your end with respect to veracity of facts in Annexure, by return e-mail (sp.gahlaut@nic.in)

Encls. Annexure

Copy to:

All Pr. Secy/Secy in charge of Agri Marketing in State/Uts

Yours faithfully,

Sushil P. Gahlaut
(Sushil P. Gahlaut)
Deputy Secretary
