However, final seniority list of Master Mechanic has not been issued based on the tentative seniority list circulated on 14.03.2013 due to administrative reasons.

2. In view of the above, the revised consolidated tentative seniority list of Master Mechanic appointed upto the year 1997 is again circulated. Objections if any to the seniority proposed to be assigned may be submitted in writing to this Directorate on or before **05.06.2020**. If no objection is received by that date, it will be presumed that the officials concerned have nothing to represent against their seniority indicated therein and the final seniority will be fixed accordingly.
